Take Care of Your Mental Health During Lockdown

Clue Detective is partnering with the Rotary Club of <Name> to help them raise funds for their service projects including **Australian Rotary Health's Lift the Lid on Mental Illness.**

Our society as a whole is experiencing unprecedented mental strain due to the coronavirus pandemic. Mental health research has never been more important.

With our movements being heavily restricted, people need engaging activities to keep them occupied whilst being at home.
Solving puzzles helps fill this void.

Puzzles can be solved individually, and with our modern technology (e.g. Zoom) they are also a great way to connect with friends and family.

Enjoy solving puzzles and have the satisfaction of knowing you are making a difference by raising awareness about mental illness.

Subscribe to Clue Detective puzzles for 12 months at a cost of \$59.95 (\$24 is donated to the Rotary Club of Torquay).
